## GOD'S WORDS

Each day we are bombarded with thousands of words. From the moment our clock radios click on in the morning, until the last moment of the day when the television is turned off or someone bids us "goodnight," our life is filled with words. Some words that we hear bring news that make us feeling low. Some words lift our spirits. Many of the words we hear are trying to get us to buy something. Some words are hurtful. Today the Church focuses our attention on hearing the word of God. Are God's words just more of the same—part of the endless stream of words that flow into our ears each day? The challenge today is to allow God's word to inspire us in new ways so that our outlook and attitudes align themselves more closely with the heart and mind of Christ Jesus.
